Janice McGeachin
State Representative
House Health & Welfare Committee

Dear Janice,

Thank you so much for your participation in the Health & Welfare Committee during this legislative session. You have done an outstanding job for which you have my sincere appreciation, as well as that of the members of the House of Representatives and of Idaho's citizens.

Your expertise, your dedicated study, your willingness to research the issues, and your willingness to work hard have made it possible for our committee to achieve successful results. Your contributions of thoughtful questions followed by outstanding debate have proved invaluable to the committee process, and to the arrival at wise decisions. It has been with decorum, that you have helped to make our deliberations run smoothly and effectively. Your graciousness to guests and presenters has been greatly appreciated by both legislators and the public. Though views of committee members rightfully have varied, you and the other members have arrived at joint decisions, and have kept respect for each other. For this, you have my sincere admiration.

Thank you for your endurance through numerous long meetings, including Friday afternoons. Because of your work ethic, our committee has completed its work on time, both for rules and legislation. Your outstanding service has made it possible for our committee to accomplish many great things for the State of Idaho, and for Idaho's citizens.

It has been my pleasure to work with you, both in the committee and on the Floor of the House. I wish you the very best in all that you continue to do.

Thank you, again.

Sincerely,

A handwritten signature in blue ink that reads "Sharon".
